

Appraisal and Motivating Employees

Let them know they are the best and that better is yet to come!

Program Overview

This workshop gives managers, bosses, supervisors, etc. the information and tools they need to more effectively praise and motivate employees. This workshop reviews the importance of employee satisfaction and offers tips on how to let them know they are doing a good job. It teaches participants how to effectively motivate people to do their best work, as well as how to correct negative behaviors without punishing the employee and while maintaining a high morale.

Modules

1. Understanding your Employees
2. Communicating with your Employees
3. Types of Praise and Motivation
4. Importance of Praise and Motivation
5. Benefits of Motivation

Target Audience Managers, Supervisors, Executives, Administrators and all those who aim to manage others

Length of Presentation 1 or 2 day workshops

Goals and Expectations

To equip participants with the skills necessary to effectively communicate, motivate, praise and correct their employees. Participants will understand the importance of keeping employees satisfied and inspired to do their best work.
