

Ethical Decision-Making

“Why we do what we do - who benefits anyway?”

Program Overview

This workshop offers insight into ethical decision-making and how participants can determine right from wrong. The program addresses personal values and methodologies that can help participants make ethical decisions.

Modules

1. What is an Ethical Decision
2. Personal Values
3. Ways to Determine what is Ethical
4. Benefits of being able to make Ethical Decisions
5. Individual Decision-Making Exercise
6. Group Decision-Making Exercise

Target Audience All - Please note that this program can be tailored to meet the specific needs of the audience or organization.

Length of Presentation 1, 2 or 3 day workshops

Goals and Expectations

To teach participants how to make ethical decisions and to understand how their personal values and beliefs can influence the decision-making process. Participants will experience ethical decision-making through individual and group perspectives.
