

Team-Building and Leadership Skills

Bringing out the best in your people and yourself!

Program Overview

This team-building workshop encourages and trains people in teamwork and productivity improvement. Training includes instruction on the use of some simple tools of productivity improvement that people, at any level, can use. The effect is the commitment to productivity improvement and the promotion of open decision-making. Our team-building training emphasizes the need to break down barriers.

Modules

1. Introductions and Setting the Stage
2. Team-building Exercises
3. Teamwork in a Critical Situation
4. Team Assessment
5. Developing an Effective Team
6. Team Roles and Responsibilities
