Dear Dr. Williams,

On behalf of Dr. Gregory E. Thornton, Ed. D., Superintendent and the Senior Leadership Team, we wish to thank you for your participation in Chester Upland's first Parent Summit held, Saturday, April 5, 2008. The purpose of the summit was to empower parents and add strategies to their toolkits.

Our parents shared an overwhelming positive response on their evaluations of the summit around this purpose. In addition, our parents expressed a desire to have another opportunity to replicate the Parent Summit process in the near future. To that end, Chester Upland plans to facilitate a Fall Parent Summit in 2008 and a Spring Parent Summit in 2009. It is our hope that you will continue to be a resource and help us to champion the cause for parents and student empowerment in Chester Upland School District.

Sincerely,
